

Women in Business Coaching Scheme

Starting in September 2009 in West End -----> the date & time in consultation with you

Do you earn your income from a new enterprise or from a number of different sources (ie. a portfolio of activities)?

Would you like to expand your business activity and increase your income, networks and presence in the marketplace?

This course can help you to:-

- Ensure your enterprise or portfolio of income streams meets your personal needs
- Earn the income you want from your enterprise/portfolio?
- Get a "leg up" with your enterprise/portfolio when you need it?
- Learn how to attain more projects, contracts or business?
- Develop confidence in the way you seek out contracts, projects or business?
- Work on your enterprise, income streams or business rather than in your business?
- Meet your clients' needs and realize the benefits you are giving to your clients?

This program is designed to help support you in developing your enterprise, income streams or work portfolio and to build your business. You will learn how to achieve greater professional and personal success.

Enrolment

Participation may be via enrolment (see below) in the whole program of up to 30 hours and will involve an investment of \$385 (incl GST) OR Workshops only (15 hours) for \$330 (including GST) (anyone welcome).

Facilitator

David Milstein, Emeritus Member of Institute of Management Consultants. Other qualifications on application.

The Program Comprises:-

- A 2 hour induction session, in September, 2009, using the "Future Focus" tool, to tailor the program to your needs. This session is free to help you become clear about your commitment to the program.
- A series of workshops (5x 3hours), scheduled over the coming months at times negotiated to meet your needs
- Group coaching sessions (5 x 1.5 hours), and
- Individual coaching sessions (up to 5 x 1 hour).

Testimonials

"I recall gaining motivation and also valuing the connection with other participants." Paula W

"David's practical approach to business as the Mentor was good" also "the opportunity to have flexible time and focus on individual business" Moira C

"The focus on each participant's individual business with learnings brought into the group was good" Helen S

"I really liked the style of the course based on asking questions to get you thinking in terms of your own business" Louise C

"I really appreciated having different learning methodologies [used]" Nicole K

This program is supported by the Queensland Government through the Department of Employment, Economic Development and Innovation
